A PETITION TO CITY OF WORTHINGTON, OHIO SEEKING THE IMPOSITION OF SPECIAL ASSESSMENTS AGAINST PROPERTY OWNED BY THE PETITIONER TO PAY THE COSTS OF VARIOUS SPECIAL ENERGY IMPROVEMENT PROJECTS WHICH SPECIALLY BENEFIT SUCH PROPERTY, INCLUDING A WAIVER OF ALL RIGHTS TO NOTICES, HEARINGS AND APPEALS RESPECTING THE REQUESTED SPECIAL ASSESSMENTS

To: The City Manager and City Council of the City of Worthington, Ohio

Trivium Worthington LLC, an Ohio limited liability company (collectively, the “Petitioners”) is the owner of 100% of the property described on Exhibit A attached to this Petition (the “Property”).

The Board of Directors of the Columbus Regional Energy Special Improvement District, Inc. (the “Corporation”), an Ohio nonprofit corporation formed to govern the Columbus Regional Energy Special Improvement District (the “District”), initially created within the boundaries of the City of Columbus, Ohio (the “City”) has approved a plan (the “Program Plan”) for the purpose of developing and implementing special energy improvement projects, as defined in Ohio Revised Code Section 1710.01(I). The Program Plan is attached to this Petition as Exhibit C.

Pursuant to the Program Plan, the Corporation has caused special energy improvement projects to be provided from time to time. In accordance with Ohio Revised Code Chapter 1710 and the Program Plan, the Program Plan may be amended from time to time by supplemental plans (the “Supplemental Plans”) (the Program Plan and every Supplemental Plan together constituting the “Plan”) to provide for additional special energy improvement projects, and the District may be enlarged from time to time to include additional property so long as at least one special energy improvement project is designated for each parcel of real property within the additional territory added to the District.

The Board of Directors of the Corporation has reviewed the Supplemental Plan attached to this Petition as Exhibit B, including the description of the special energy improvement projects proposed to be constructed or installed on the Property (the “Authorized Improvements”), and related and supporting materials and, subject to an approval by the Council of the City of Columbus, Ohio (the “Columbus City Council”) and an approval by the Council of the City of Worthington, Ohio (the “Council”) of an expansion of the District to include the Property, has approved an amendment and supplement of the Plan by the Supplemental Plan to include provision for the Authorized Improvements.

As required by Ohio Revised Code Section 1710.06, the Petitioner, as the owner of the Property, being 100% of the area proposed to be added to the District and 100% of the area proposed to be assessed for the Authorized Improvements, hereby (a) petitions the Council to (i)
approve the addition of the Property to the District and (ii) approve an amendment and supplement to the Plan by the Supplemental Plan to include the Authorized Improvements and (b) requests that (i) Authorized Improvements be undertaken by the District, and (ii) the total cost of those Authorized Improvements be assessed on the Property in proportion to the special benefits that will result from the Authorized Improvements.

In connection with this Petition and in furtherance of its purposes, the Petitioner acknowledges that it has reviewed or caused to be reviewed (i) the Plan and the Supplemental Plan, (ii) the plans, specifications and profiles for the Authorized Improvements, (iii) the estimate of cost for the Authorized Improvements included in the Supplemental Plan and (iv) the schedule of estimated special assessments to be levied for the Authorized Improvements also included in the Supplemental Plan. The Petitioner acknowledges that the estimated special assessment for each parcel is in proportion to the benefits that may result from the Authorized Improvements.

Accordingly, the Petitioner hereby petitions for the construction of the Authorized Improvements identified in this Petition and the Supplemental Plan attached to this Petition as Exhibit B, as authorized under Ohio Revised Code Chapter 1710, and for the imposition of the special assessments identified in this Petition and authorized under Ohio Revised Code Chapters 727 and 1710 (the “Special Assessments”) to pay the costs of the Authorized Improvements.

In consideration of the City’s acceptance of this Petition and the imposition of the requested Special Assessments, the Petitioner consents and agrees that the Property as identified in Exhibit A shall be assessed for all of the costs of the Authorized Improvements, including any and all architectural, engineering, legal, insurance, consulting, energy auditing, planning, acquisition, installation, construction, survey, testing and inspection costs; the amount of any damages resulting from the Authorized Improvements and the interest on such damages amount; the costs incurred in connection with the preparation, levy and collection of the special assessments; the cost of purchasing and otherwise acquiring any real estate or interests in real estate; expenses of legal services; costs of labor and material; trustee fees and other financing costs incurred in connection with the issuance, sale, and servicing of securities to pay costs of the Authorized Improvements in anticipation of the receipt of the special assessments, capitalized interest on, and financing reserve funds for, such securities or other obligations; and any program administration fees or financing servicing fees; together with all other necessary expenditures. The Petitioner agrees to pay the Special Assessments in a timely manner whether or not the Petitioner receives annual and timely notices of the Special Assessments.

The Petitioner further acknowledges and confirms that the Special Assessments set forth in this Petition and in the Supplemental Plan attached as Exhibit B are in proportion to, and do not exceed, the special benefits to be conferred on the Property by the Authorized Improvements identified in this Petition. The Petitioner further consents to the levying of the Special Assessment against the Property by the Council. The Petitioner acknowledges that these Special Assessments are fair, just and equitable and being imposed at the Petitioner’s specific request.

The Petitioner hereby waives notice and publication of all resolutions, legal notices and hearings provided for in the Ohio Revised Code with respect to the Authorized Improvements.
and the Special Assessments, particularly those in Ohio Revised Code Chapters 727 and 1710 and consent to proceeding with the Authorized Improvements. Without limiting the foregoing, the Petitioner specifically waives any notices and rights under the following Ohio Revised Code Sections:

- The right to notice of the adoption of the Resolution of Necessity under Ohio Revised Code Sections 727.13 and .14;
- The right to limit the amount of the Special Assessment under Ohio Revised Code Sections 727.03 and 727.06;
- The right to file an objection to the Special Assessment under Ohio Revised Code Section 727.15;
- The right to the establishment of, and any proceedings by and any notice from an Assessment Equalization Board under Ohio Revised Code Sections 727.16 and .17;
- The right to file any claim for damages under Ohio Revised Code Sections 727.18 through 727.22 and Ohio Revised Code Section 727.43;
- The right to notice that bids or quotations for the Authorized Improvements may exceed estimates by 15%;
- The right to seek a deferral of payments of Special Assessments under Ohio Revised Code Section 727.251; and
- The right to notice of the passage of the Assessing Ordinance under Ohio Revised Code Section 727.26.

The Petitioner consents to the Council immediately proceeding with all actions necessary to acquire, install, and construct the Authorized Improvements and impose the Special Assessments.

The Petitioner further agrees not to take any actions, or cause to be taken any actions, to place any of the Property in an agricultural district as provided for in Ohio Revised Code Chapter 929, and if any of the Property is in an agricultural district, the Petitioner, in accordance with Ohio Revised Code Section 929.03, hereby grants permission to collect any Special Assessments levied against such Property.

The Petitioner acknowledges that the Special Assessments set forth in this Petition and in the Exhibits to this Petition are based upon an estimate of costs, and that the final Special Assessments shall be calculated in the same manner, which, regardless of any statutory limitation on the Special Assessments, may be more or less than the respective estimated Special Assessments for the Authorized Improvements. In the event the final assessments exceed the estimated assessments, the Petitioner, without limitation of the other waivers contained in this Petition, also waives any rights it may now or in the future have to object to those assessments, any notice provided for in Ohio Revised Code Chapters 727 and 1710, and any rights of appeal provided for in such Chapters or otherwise. The Petitioner further acknowledges and represents that the respective final assessments may be levied at such time as determined by the City and regardless of whether or not any of the parts or portions of the Authorized Improvements have been completed.
The Petitioner further acknowledges that the final Special Assessments for the Authorized Improvements, when levied against the Property, will be payable in cash within thirty (30) days from the date of passage of the ordinance confirming and levying the final assessments and that if any of such assessments are not paid in cash they will be certified to the Auditor of the County, as provided by law, to be placed on the tax list and duplicate and collected as other taxes are collected. Notwithstanding the foregoing, however, the Petitioner hereby waives the right to pay the final assessments for the Authorized Improvements in cash within thirty (30) days from the passage of the ordinance confirming and levying the final assessments and requests that the unpaid final assessments for the Authorized Improvements shall be payable in twenty-eight (28) semi-annual installments.

Pursuant to Ohio Revised Code Section 1710.03(C), the Petitioner hereby appoints as its designee to carry out the rights and responsibilities of District members under Ohio Revised Code Chapter 1710 such representative as may be duly appointed by the Petitioner from time to time, which designation shall not expire unless and until the Petitioner shall notify the Secretary of the District that said designation is no longer in effect or that Petitioner has made a new designation to replace said designation.

The Petitioner further waives any and all questions as to the constitutionality of the laws under which Authorized Improvements shall be acquired, installed, or constructed or the proceedings relating to the acquisition, installation, or construction of the Authorized Improvements, the jurisdiction of the City acting in connection with the acquisition, installation, or construction of the Authorized Improvements, all irregularities, errors and defects, if any, procedural or otherwise, in the levying of the assessments or the undertaking of the Authorized Improvements, and specifically waives any and all rights of appeal, including any right of appeal as provided in Ohio Revised Code Title 7, and specifically but without limitation, Ohio Revised Code Chapters 727 and 1710, as well as all such similar rights under the Constitution of the State of Ohio and the Charter of the City of Worthington, Ohio. The Petitioner represents that it will not contest, in a judicial or administrative proceeding, the undertaking of the Authorized Improvements, the estimated assessments, the final assessments, and any Special Assessments levied against the Property for the Authorized Improvements, or any other matters related to the foregoing.

In accordance with Ohio Revised Code Section 1710.02(A), the Petitioner further requests that the members of the District, the City of Columbus, Ohio, and the City each approve the Amendment to Articles of Incorporation of Columbus Regional Energy Special Improvement District, Inc. attached to this Petition as Exhibit D (the “Articles Amendment”) in order to recognize and effect the expansion of the District to include territory within the City. If approved by the members of the District, the City of Columbus, Ohio, and the City, the name of the District will be changed to the “Columbus, Worthington Energy Special Improvement District,” and the name of the Corporation will be changed to the “Columbus, Worthington Regional Energy Special Improvement District, Inc.” Notwithstanding such changes, and as authorized in the Articles Amendment, the District may continue to use the trade name “Columbus Regional Energy Special Improvement District,” and the Corporation may continue to use the trade name “Columbus Regional Energy Special Improvement District, Inc.”
The Petitioner acknowledges and understands that the City and the Corporation will be relying upon this Petition in taking actions pursuant to it and expending resources. This Petition therefore shall be irrevocable and shall be binding upon the Petitioner, any successors or assigns of the Petitioner, the Property, and any grantees, mortgagees, lessees, or transferees of the Property. The Petitioner acknowledges that it has had an opportunity to be represented by legal counsel in this undertaking and has knowingly waived the rights identified in this Petition.

COLUMBUS REGIONAL ENERGY SPECIAL IMPROVEMENT DISTRICT PROGRAM PLAN

[See Attached]
COLUMBUS REGIONAL ENERGY SPECIAL IMPROVEMENT DISTRICT
PROGRAM PLAN

The Columbus Regional Energy Special Improvement District (the “District”) will administer a property assessed clean energy (“PACE”) program (the “Program”). The Program will provide financing secured by special assessments on real property for special energy improvement projects. Pursuant to Section 1710.02(F) of the Ohio Revised Code, NC Plaza LLC, as the initial owner of real property within the District (the “Owner”) authorizes, consents to, and submits to the City of Columbus, Ohio for approval this plan for the Program (as the same may be amended and supplemented from time to time in accordance with its terms, the “Plan”) to provide for the Program’s administration and to set forth the terms and conditions of participation in the Program.

The District is established pursuant to the special energy improvement district provisions of Chapter 1710 of the Ohio Revised Code. This Plan refers to Chapter 1710 and any and all future amendments to the special energy improvement district provisions of Chapter 1710 as the “Act.” Any specific statutory reference contained in this Plan shall also refer to any succeeding or amending statutory provision.

Participation in the District’s Program is limited to property owners who have agreed to add their property to the District and who otherwise meet the Program’s terms and conditions. These terms and conditions are addressed in this Plan, and include, without limitation, an application, a petition, a schedule of assessments to be made on included property (“Assessment Schedule”), and the governing documents forming the District. The District’s governing documents include its Articles of Incorporation, Code of Regulations, resolutions duly adopted by the board of directors of the District, and the applicable resolutions and ordinances of the participating political subdivision where the real property is located (collectively, the “Governing Documents”). As a condition to participation in the District and the Program, each property owner must review and agree to the Governing Documents and further must review, agree to, and execute this Plan, an application, a petition, and an Assessment Schedule. The Governing Documents, this Plan, the applications, the petitions, and the Assessment Schedules are referred to herein collectively as the “District Documents.” In addition to the District Documents, property owners may be required to agree to and execute an agreement to impose special assessments as a condition to receiving financing of special energy improvement projects from the District.

The District Documents establish the terms and conditions of the Program. The Program terms and conditions may be amended from time to time as described in Part X of this Plan. By agreeing to and executing the District Documents, each property owner consents to the terms and conditions of all District Documents.
I. Purpose of the Program

The Program is intended to assist property owners, whether private or public, who own real property within participating political subdivisions to obtain financing for special energy improvement projects, as that term is defined in the Act (the “Authorized Improvements”). Obligations, including but not limited to special assessment reimbursement agreements, special assessment revenue bonds and revenue notes, loan obligations or other evidences of indebtedness, and nonprofit corporation securities (collectively, the “Program Obligations”) may be issued by the District or on behalf of the District by a third party. Program Obligations or the proceeds from the sale of the Program Obligations may be used to finance Authorized Improvements that benefit properties within the District and any costs incurred by the District in connection with the issuance of Program Obligations. Participating political subdivisions shall levy special assessments on real property included in the District, the payment of which may pay the Program Obligations and the costs of administering the Program. Special assessment payments levied to finance Authorized Improvements will be due and payable by property owners at the same time real property taxes are due; provided, however, that certain Program Obligations may require special assessments to be due and payable by property owners only to the extent that such property owners fail to pay an obligation of the property owner secured by special assessments, such as a loan, in which case special assessments will only be due and payable by property owners if actually levied.

Nothing in this Plan shall be construed as a representation on the part of any participating political subdivision, the District, the board of directors of the District, or any of the directors, officers, agents, members, independent contractors, or employees of the District or board of directors that the Program is the best financing option available. Property owners are advised to conduct independent research to determine the best course of action.

II. The District’s Governance, Program Administrator, and Conduit Financing Entity

The District shall be governed, pursuant to the District Documents and the Act, by the Board of Directors (“Board”) of the Columbus Regional Energy Special Improvement District, Inc., a nonprofit corporation organized under the laws of the State of Ohio (the “Corporation”) to govern the District.

Pursuant to the Act, other Ohio law, and the Code of Regulations of the Corporation, the Board may from time to time, and under such conditions as the Board determines, delegate any or all of the authority contained in this Plan to its sub-committee or to an agent, independent contractor, or employee of the District or the Board.

This Plan specifically contemplates that, as authorized in the Act, the District may contract for the services of a “Program Administrator” and for the services of a “Conduit Financing Entity.”
The Program Administrator may provide, without limitation, the following services: (i) pursuant to Part III of this Plan, developing and administering eligibility guidelines, creating and administering an application, setting criteria and developing a list of pre-approved contractors, procuring resources or cooperating with property owners to procure resources, and administering referrals; (ii) pursuant to Part IV of this Plan, marketing, program design, cooperating with property owners to implement Authorized Improvements, and other administrative services; and (iii) establishing and administering a revolving loan facility providing financing for certain special energy improvement projects.

The Conduit Financing Entity shall be the Columbus-Franklin County Finance Authority. The Conduit Financing Entity may provide, without limitation, the following services: (i) pursuant to Part III of this Plan, financing Authorized Improvements and cooperating with property owners to obtain financing for Authorized Improvements; (ii) pursuant to Part IV of this Plan, tracking and administering Program Obligations, administering special assessments, budgeting, and conducting or overseeing the audit process; and (iii) assisting with marketing efforts relating to the District.

III. Program Eligibility, Approvals, Financing, and Procurement

The Board is hereby authorized to create, administer, amend, and abolish a process by which property owners join the Program. The process by which property owners join the Program may include, without limitation, the following requirements:

(A) Eligibility. The Board is hereby authorized to create, administer, amend, and abolish eligibility requirements for the Program. The Board is further authorized to determine, in each individual case, whether property is eligible for participation in the Program.

To be eligible for participation in the Program, each property owner must file a petition with the Board requesting to add its property to the District and requesting the levy of special assessments to be used to pay or secure Program Obligations issued or used to finance Authorized Improvements. Each parcel of real property added to the District must have at least one Authorized Improvement. The petition to add property to the District shall be considered by the District in accordance with this Plan and the other District Documents. If the District approves the petition, it shall submit the petition to the executive officer and legislative body of the participating political subdivision in which the real property is located. A property owner may file more than one petition and may amend or withdraw any petition filed at any time before the petition is approved by the legislative body of the participating political subdivision in which the real property is located. Petitions shall conform to the requirements of Ohio Revised Code Chapter 1710 and any requirements of the Board.

To be eligible for participation in the Program, each property owner must agree to be bound by the terms of this Plan. The Plan for the District may be amended and supplemented from time to time in accordance with its terms, including,
specifically, by supplements to the Plan which identify additional Authorized Improvements within the District to be subject to the Plan or add property to the District and subject such additional property to the Plan. To be eligible for participation in the Program, each property owner, with the exception of the Owner, must file a supplement to this Plan (the “Supplemental Plan”) with the Board and the clerk of the legislative body of the participating political subdivision in which the real property is located identifying the Authorized Improvements to be undertaken as part of the Plan applicable to real property within the District or to be added to the district. Supplemental Plans shall include such other information as may be required by the Board. Supplemental Plans shall conform to the requirements of Ohio Revised Code Chapter 1710 and any requirements of the Board.

(B) Application. The Board is hereby authorized to create, administer, amend, and abolish an application, including a pre-application, for participation in the Program. The Board further may set the terms and conditions for the application’s use and evaluation.

(C) Contractors. The Board is hereby authorized to require property owners to complete Authorized Improvements through the work of pre-approved contractors. The Board is further authorized to create criteria for the approval of contractors and to determine which contractors meet the criteria and are approved. The Board may communicate which contractors have been pre-approved to property owners by any means the Board deems appropriate, and the Board shall determine whether property owners comply with its pre-approved contractor’s requirements.

Nothing in this Plan or the District Documents shall be construed to be a recommendation or guarantee of reliability of pre-approved contractors by any participating political subdivision, the District, the Board, or any of the directors, officers, agents, members, independent contractors, or employees of the District or Board.

(D) Procurement and Referrals. The Board is hereby authorized to procure supplies, services, contracts, financing, and other resources related to the completion of Authorized Improvements. The Board is further authorized to refer property owners to suppliers, service providers, contractors, lenders, and the providers of other resources related to the completion of Authorized Improvements and the administration of District activities.

Pursuant to the Act, the Board shall adopt written rules prescribing competitive bidding procedures for the District and for Authorized Improvements undertaken by the District on behalf of property owners, which competitive bidding procedures may differ from competitive bidding procedures applicable to the City or the procedures in Chapter 735 of the Ohio Revised Code and may specify conditions under which competitive bidding is not required. Except as specified
in the Act and in this Plan, the District Documents shall not be construed to eliminate or alter the competitive bidding procedures applicable to the City as a participating political subdivision.

(E) Financing. The Board is hereby authorized to finance Authorized Improvements through the use or issuance of Program Obligations. The Board may hire such legal and financial professionals as may be required to successfully finance Authorized Improvements through the use or issuance of Program Obligations.

IV. Program Services

(D) Authorized Improvement Implementation. The Board is hereby authorized to cooperate with property owners for the implementation of Authorized Improvements, including cooperating with property owners for the addition of property to the District and the approval of petitions and Supplemental Plans by participating political subdivisions and the Board.

(E) Tracking and Administration of Program Obligations. The Board is hereby authorized to create, administer, amend, and abolish procedures for the tracking and administration of Program Obligations issued or used to finance Authorized Improvements. Without limitation, the administration of special assessments may include reporting delinquent special assessments, following-up with delinquent property owners, and coordinating with delinquent property owners. The Board
may hire such professionals as may be required to successfully track and administer Program Obligations.

(D) The public improvements to be provided by the District are the Authorized Improvements identified in the petition and Supplemental Plan. The area where the Authorized Improvements will be undertaken will be the area identified in each petition requesting formation of the District or in any petition requesting addition of real property to the District. If these laws change after property owners have applied to the District for financing, the District may be unable to fulfill its obligations under this Plan. The District shall not be liable for any inability to finance Authorized Improvements as a result of state and federal law or any changes in state and federal law.
which reduce or eliminate the effectiveness of financing Authorized Improvements through the District's Program.

The District has been created with the approval of the City of Columbus, Ohio, as a participating political subdivision, for the purposes of implementing this Plan and administering the Program. The District and any participating political subdivision shall be neither responsible nor liable for the installation, operation, financing, refinancing, or maintenance of Authorized Improvements. Property owners will be solely responsible for the installation, operation, financing, refinancing, and maintenance of the Authorized Improvements. Participation in the Program does not in any way obligate the District or any participating political subdivision to ensure the viability of Authorized Improvements. Owners of assessed real property must pay the special assessments regardless of whether the Authorized Improvements are properly installed or operate as expected.

By agreeing to and executing this Plan, each owner of real property included in the District (other than any political subdivision that owns real property included in the District) agrees to release, defend, indemnify, and hold harmless the District and the participating political subdivisions, including their directors, officers, members, agents, independent contractors, and employees, from and against any claims, actions, demands, costs, damages or lawsuits, arising out of or connected with participation in the Program, except as may arise from the acts or omissions of the District in breach of the Governing Documents, the Petition, or the Plan or the negligence of the District. Any political subdivision that owns real property included in the District agrees to release and hold harmless the District and the participating political subdivisions, including their directors, officers, members, agents, independent contractors, and employees, from and against any claims, actions, demands, costs, damages or lawsuits, arising out of or connected with the political subdivision’s participation in the Program in its capacity as a property owner.

X. Changes in the Program Terms; Severability

The District reserves the right to change this Plan and the terms and conditions of the District Documents at any time upon not less than 10 days’ prior written notice. No such change will affect a property owner’s rights or obligations under this Plan, including, without limitation, the payment (including the time schedule thereof) as set forth in the District Documents.

If any provision of the District Documents is determined to be unlawful, void, or for any reason unenforceable, that provision shall be severed from these District Documents and shall not affect the validity and enforceability of any remaining provisions.
XI. Disclosure of Property Owner Information

The District and any participating political subdivision may disclose information of the District to any agent of the District or to third parties when such disclosure is essential either to the conduct of the District’s business or to provide services to property owners, including but not limited to where such disclosure is necessary to (i) comply with the law (ii) enable the District and participating political subdivisions and their agents to provide services or otherwise perform their duties, and (iii) obtain and provide credit reporting information. In order to receive funding for the Program and to enable communication regarding the State of Ohio’s energy programs, property owners’ names and contact information may be disclosed to their current electric utilities. Property owners’ names, contact information, and utility usage data further may be disclosed to the District and its agents for the purpose of conducting surveys and evaluating the Program. The District shall not disclose personal information to third parties for telemarketing, e-mail, or direct mail solicitation unless required to by law or court order.

Each owner of real property located within the District acknowledges that the District is subject to Ohio public records laws, including Ohio Revised Code Section 149.43 et seq. Each property owner that executes this Plan agrees to the disclosure of certain property owner information as stated in this Part.
